

**Capacity Building and Revitalizing of the Civil Society in Gagauzia****Duration:** 01.01.2018 - 31.12.2018**Countries:**  
Moldova**Total budget:** € 10 000**Website(s):** [proeuropa.md/](http://proeuropa.md/)**Project description:**

With EU help, the aim of the project is to improve the ability to make better the lives of citizens in society, influence decision-making processes at the local and regional levels, through engaging in dialogue with the authorities and public institutions.

Creation of two new civil society organizations: 15 young people from Gagauzia will undergo a series of trainings to learn how to create and effectively manage NGOs, how to write and implement projects, search for funds and PR. Trained and most active young people will be supported by the project through the creation and support of new NGOs.

Increasing the skills and knowledge of young people in the area of NGO functioning and project implementation: Representatives of newly established NGOs will be trained in non-profit organizations in Slovakia to obtain information on work in the non-profit sector, and they will be given the opportunity to participate in the mini-grant competition.

**Expected results:**

- A minimum of 15 people will be trained during the three training sessions.
- 7 trainees representing the cities of Avdarma, Ceadir-Lunga and Vulcanesti will establish 3 new NGO.
- With the precious support of an NGO consultant and a legal consultant, their registration documents will be submitted in Chisinau.
