FUND CHARITY HUMANITARIAN CENTRE
ABKHAZETI

Project website: www.chca.org.ge

Project description:

Project aims to enable the most vulnerable youth in state care to successfully transition to productive, independent and self-reliant living through creating access to new services.

Expected results:

- 115 teenagers receive social skills training on 8 different topics.
- 115 adolescents are trained on the topic "Social Enterprise Management".
- 35 adolescents are employed, among them 15 in social enterprises.
- 20 teens are in an active job searching process.
- 92 teenagers took an internship course
- 6 Social enterprises are created in three regions of Georgia
