პროექტის აღწერა:

The PPF Project is about strengthening the capacity of the national authorities to plan, prepare and manage public investment projects, both domestically and externally financed. It consists of 4 Components: Strengthening national external assistance coordination system; Strengthening the capacity of the national authority for external assistance; Enhancing the capacities of the line ministries in management and implementation of projects financed from external sources; Enabling the preparation of a pipeline of high quality and financially viable projects.

მოსალოდნელი შედეგები:

Component 1: Strengthening national external assistance coordination system:

- National external assistance co-ordination is well positioned within the governmental structure, staffed and equipped to perform aid coordination tasks; External assistance co-ordination system covering planning, implementation, monitoring, reporting and evaluation of external assistance is functional with clear roles and responsibilities of the stakeholders involved.
- Capacities of the national authority for external assistance coordination to provide guidance including operational guiding documents to the line ministries and other relevant stakeholders on planning, implementation, reporting and monitoring and evaluation of external assistance are developed; digital support system for programming, implementation, reporting, monitoring and evaluation is in place, fully operational and user friendly.
- External assistance is coherent with and embedded into the budget process (Mid-Term Budgetary Framework and Annual Budget and is correlated with national policy framework).
- Central and sectors' co-ordination mechanisms with donors are enhanced and functioning enabling the government to identify the most appropriate sources of financing of development needs.

Component 2: Strengthen the capacity of the national authority for external assistance:

- Capacity is enhanced within the national authority for external assistance coordination to co-ordinate the
