Апісанне праекта:

The project's main objective is to enhance the human rights monitoring and protection in Moldova by empowering Human rights defenders (HRDs) to operate in a safe and enabling environment, in compliance with their full rights and freedoms. Under the project, the following activities will be implemented:

- Monitoring cases against HRDs in need and providing assistance, including legal assistance, when needed;
- Advocacy before national and international institutions for HRDs in need;
- Training and capacity building for the HRDs regarding the standards on protection of the HRDs rights, on international fair trial standards, standards on the environment protection, on behavior in risk situations, etc.;
- Monitoring and promotion of an enabling legal framework for non-commercial organizations and HRDs.
