Project description:
The project aims at encouraging coordinated and pro-active actions of business, support the implementation of the Association Agreement and the DCFTA and, pursue the EU's economic diplomacy interests.
In particular, objectives are: (1) Strengthening business relations between the European Union and Georgia, in particular as regards the elimination of obstacles to business; (2) Promoting fair, open and long-term relationships between business, customers/beneficiaries and the authorities; (3) Establishing a key interlocutor to the EU Delegation, the EEAS and European Commission, also relaying the views of other existing business organisations, and for Member States' embassies, notably those with no bilateral chamber of commerce in Georgia.

Expected results:
