**Апісанне праекта:**

The EU4Moldova: Focal Regions Programme will focus on strengthening the economic, territorial and social cohesion in the Republic of Moldova through facilitating inclusive, sustainable and integrated local socio-economic growth and improving the standards of living of the citizens in two focal regions: Ungheni and Cahul. The programme will support the two regions targeting necessary improvements in three areas:

- at the level of local government – to improve the necessary services and the needed infrastructure;
- at the level of the private sector – to stimulate private investment, improve the economy and create employment opportunities for the men and women;
- at the population level – to strengthen citizens participation in democratic governance processes and strengthen their capacities to demand their rights.
