

Our Youth-proposals for the HR/VP Kaja Kallas

Youth ideas on **defence** the EU to seek more specific youth engagement on thematic areas (e.g. cybersecurity, economic security, disinformation, non-proliferation).

CREATIVITY
Unlocking the **POTENTIAL** of young people around the world through **entrepreneurship**

relationships
Culture is the soft part

The EU and its Geopolitical Priorities

The EU to continue investing in **cultural & youth exchange programmes** such as the Youth Policy Dialogue and Erasmus +

We need to become much more aware of our European leading role

Lasting **Peace** cannot be imposed; it must be **built together** with society and its young people

To establish youth policies within EEAS, we propose the creation of **Youth Practitioners Board** within EU Delegations, especially in conflict-affected regions. To build trust between the EU and local communities, showing that Europe listens to those most affected by conflicts.

Raise awareness of International conflict by prevention campaigns and ensure the EU takes the leading role in International Organisations as a representative of the democratic world.

Prevention as a smart investment?!
...what could be the prevention, when someone decides to attack?

This moment is a great chance for Europe to stand up!
Ukraine, Syria, Gaza/Palestine
At the negotiation table

It's so important to build networks of **FRIENDSHIP!** around the globe

Being a very diverse group sharing our experiences
inspiring **learning** from each other

so **grateful!** speaking in places like this

Participation of Youth
Need more **Awareness** about the **opportunities**

An unprecedented International crises. Global cooperation goes via **local community building**
Real solutions must put young people at the center.

Streamline **access** to EU programmes and funding with simplified applications, targeted outreach, and stronger representation for underrepresented groups.

Global & Climate Diplomacy

The Youth brings the innovation & a new perspective
Let youth chair the difficult discussions

Institutional, technical and financial resources to **youth organisations**, ensuring equitable access to information and support

Youth-led projects to **implement ACTIONS**

Empowering young leaders at both local and global levels, Intergenerational mentorships.

Mentorship Sharing the opportunities

It's our **FUTURE**

This conflict is my Future!
Listen to me!

Intergenerational Dialogues

ALLY WITH YOUTH IN EU FOREIGN POLICY

A great world for everyone!

a youth-led dialogue with HR/VP Kaja Kallas

Human Rights and Democracy
Justice Equality
Human Rights
It's in their interest!
How to empower young people to fight for their RIGHTS?

Launch an **EU Democracy Programme** for marginalised groups (young leaders, women, and people with disabilities), providing training, mentorship and funding to increase their political participation and counter democratic backsliding

Launch a joint **UN-EU Education Equity** initiative to ensure equal access to quality education, especially for marginalised communities and conflict affected regions.

Establish an **EU Fact-Checking Fund** to support independent civil society and youth organisations to strengthen fact-checking efforts against disinformation and hate-speech.

- Undermining Democracy
Losing trust through false information
- media literacy
- Research
- Become aware of your own bias

Believe in Yourself!
There is a lot YOU can DO!
The Youth know much more about how to use information.
You have all the tools at hand.
Create a **FACT-CHECKING** Platform

J am here to LISTEN.

Youth Engagement and Dialogues to listen and build for the **Future**

It's important to take your perspective into account **now!**

Working for the Future - Learning from the past.

This place, the House of European History... it's important to talk about our history and learn from it!
